

# is for Pressure Cleaning

CRP's Pressure Cleaning Hose is a high-quality, non-marking hose designed for waterblasting equipment. A more ecologically friendly alternative to sandblasting and other abradant cleaning and stripping methods, waterblasting puts a significant level of stress on hose — inside and out. CRP Pressure Cleaning hose is of the highest quality and available with quick couplers already installed. What's more, our fast turnaround time ensures a minimum of downtime for you.

### PRESSURE CLEANING HOSE FEATURES:

- Working pressure up to 4,500 psi
- Custom lengths for whatever your job requires
- Suitable for most cleaning agents and solvents
- Smooth, non-abrasive coverings for challenging working conditions

**PRESSURE WASHER SERIES**

WIRE REINFORCED PRESSURE CLEANING HOSE
